**Re: Positive Community Feedback on Eid Celebration Event**

Dear Mrs O'Neill,

I hope this letter finds you well. I am writing to express my sincere thanks and appreciation for the recent Eid celebration event held at Rood End Primary School. The feedback from the community has been overwhelmingly positive. It was truly heartening to see such a joyful and inclusive occasion take place.

The event was a wonderful example of how schools can embrace and celebrate the rich diversity within our communities. It brought together pupils, families, and staff in a spirit of unity and mutual respect, and it was clear that a great deal of thought and care went into making it a success.

Many families have shared how much they valued the opportunity to come together and celebrate Eid in such a welcoming environment. It was especially encouraging to see children learning about and engaging with different cultures in such a meaningful way.

Thank you once again to you and your team for your dedication and commitment to fostering a sense of community and inclusion. Events like these make a lasting impact and help build stronger, more connected neighbourhoods.

Warm regards,

**Councillor Sajad Ashraf**
