

Pupil Premium

Pupil Premium is an additional amount of funding which the Government believes should help schools to meet the needs of children of low income families. The fund is allocated to pupils who are currently known to be eligible for FSM (Free School Meals) and for children who have been looked after continuously for more than six months.

In 2012 – 2013 Pupil Premium funding was extended to pupils who have been known to be eligible for FSM at any point in the last 6 years. As a group these pupils nationally have consistently lower educational attainment than pupils who have not been eligible for FSM. Pupil Premium has also been extended to include children of parents who are serving in the armed forces.

At Rood End we have spent and allocated the money in a variety of ways to ensure that all our Pupil Premium pupils have the resources to make progress through quality learning experiences. We have also included support for parents so that they can help their children succeed.

Non-Pupil Premium	63
Maths	
Pupil Premium	65
Non-Pupil Premium	74

Phonics Screening:

Year 1

Pupil mobility and arrival of pupils with no English impacted on the performance of disadvantaged pupils performing below national expectation. To address this significant focus was put into new resources and staffing structures to ensure that these pupils achieved the expected standard in Year 2 (see figure below).

Year 2:

95% of pupils achieved the expected standard in line with non-disadvantaged pupils at Rood End. This exceeds national figure of 91%.
