

## Pupil Premium Grant Allocation 2019 - 2020

Rood End Primary allocation:

2017 – 2018 £215, 160

2018 – 2019 £223,080

2019 – 2020 £223,080

Pupil Premium is an additional amount of funding which the Government believes should help schools to meet the needs of children of low income families. The fund is allocated to pupils who are currently known to be eligible for FSM (Free School Meals) and for children who have been looked after continuously for more than six months. At Rood End a majority of pupils live in very low -income families and have free school meals, have had free school meals or have free school meals intermittently due to parental short-term employment. Our deprivation indicator is 0.42 (national 0.24) which is in the top 20% quartile. Consequently, our philosophy is to target all children with social barriers to learning.

At Rood End we have spent and allocated the money in a variety of ways to ensure that all our Pupil Premium pupils have the resources to make progress through quality learning experiences. We have also included support for parents so that they can help their children succeed.

Item/project	Allocation/cost	Objective	Expected outcomes
