

## **Pupil Premium**

Pupil Premium is an additional amount of funding which the Government believes should help schools to meet the needs of children of low income families. The fund is allocated to pupils who are currently known to be eligible for FSM (Free School Meals) and for children who have been 'Looked After' for more than six months.

At Rood End we have spent and allocated the money in a variety of ways to ensure that all our Pupil Premium pupils have the resources to make progress through quality learning experiences. We have also included support for parents so that they can help their children succeed.
