

Pupil Premium Sport 2018-2019

Impact report

Allocate Amount - £19,610

Amount Spent - £19,610

Money has been spent to ensure that pupils have the resources to make progress through quality learning experiences and develop an interest or passion for sport. We have focused the development of After School Clubs with greater opportunities to access a wider variety of sports. This has included external providers - ASPIRE, Bugs Group and West Bromwich Albion Foundation. Sporting opportunities provided after school were:

- Fitness club
- Basketball
- Tag rugby
- Dodgeball
- Dance
- Gymnastics
- Multi-sports
- Football - teams for girls and boys
- Football development squad

We've allocated and spent money on transport to tournaments. Our commitment to competitive tournaments has been recognised - the school was awarded Sandwell Gold Games mark for the third consecutive year.
